Dear Harold,

Thanks for your letters of 5/5/ ~~xxx~~ and 5/15. My reply to a letter of Jim's is enclosed.

My comments on Entry 20 in my letter of 5/10 must have been unclear. The entry consists of 7 boxes (plus whatever is withheld); my notes total 23 pages. I am enclosing pp. 17-18 of those notes, which deal with PC-10, the files on the Reporting Service (Ward & Paul).

There's not much to report from out here. Take care.

Best,

Paul
